ANNOUNCING! THE RETURN OF THE MRAC AUCTION!

The Milwaukee Radio Amateurs' Club, one of the oldest, continuously operating radio clubs in the world is pleased to announce the return of the famous MRAC auction. Throughout the 60's 70's and 80's MRAC held annual auctions (sometimes 2 per year). As hamfests grew and the quality of "stuff" declined, the auctions stopped. Due to popular demand, they are back. The May 2000 MRAC meeting (May 25, 2000) will mark the official auction return. The auction will begin at 7:30 PM with the building open at 6:30 PM for unloading your stuff and checking out the other stuff! The club will take a 10% commission on all sales. Refreshments are available (for a small donation). There will be no club business conducted at the meeting (except for club elections). The location is Redemption Lutheran Church, hwy 100 and Capitol (northwest corner, just north of Walgreen's). Everyone is welcome, member or not.
